## Kelly's Bob-ble hat for Ascot!

BUSTY beauty Kelly Brook looked legendary as she turned heads at Royal Ascot in a Booby Moore tribute hat.

Kelly, 38, joined a host of famous faces flocking to Berkshire yesterday for the first day of this year's prestigious race meeting.

She led the way as she arrived at the racecourse in a tight-fitting red dress but it was her extravagant hat that stole the show.

Proving that World Cup fever has hit the country, Kelly honoured England's 1966 winning team with a red and white titter which featured a model of the World Cup winning captain.

She was joined at the track by *Good Morning Britain* presenter Kate Garraway and former WAG Lizzie Cundy.

Both Kate, 51, and Lizzie, 48, opted for white outfits, complete with matching feathered hats

to ensure they stood out from the crowd.

Newlywed royal Meghan Markle arrived with Prince Harry and the Queen in a horse-drawn carriage.

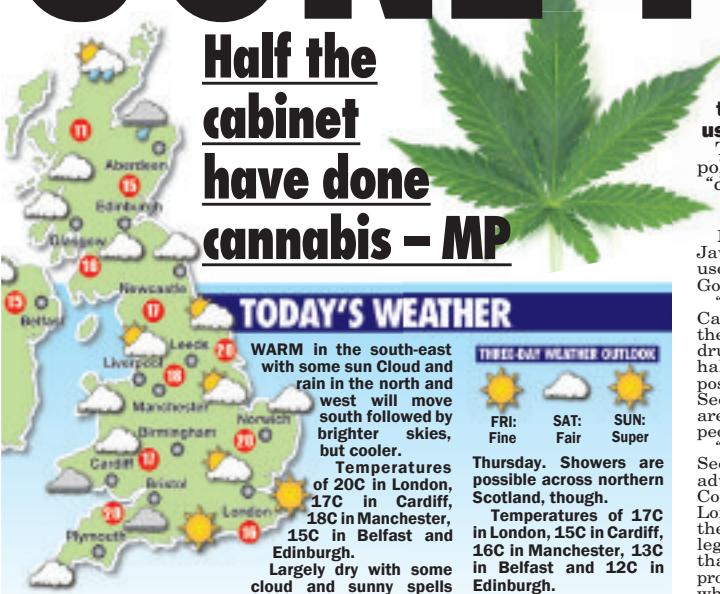

Their regal procession traditionally begins each day of the racing.

# GONE TO POT!

**Half the cabinet have done cannabis – MP**

**FORMER** health minister Norman Lamb has called for the complete legalisation of cannabis after alleging that "probably half the Cabinet" have used the Class B drug.

The Lib Dem MP said the Government's policy towards cannabis represented a "dreadful hypocrisy" and echoed calls from former Tory leader Lord Hague to bring in a regulated market for the drug.

Mr Lamb, speaking after Home Secretary Sajid Javid announced a review into medicinal cannabis use, said: "Isn't there a dreadful hypocrisy in Government policy in drugs more generally."

"Probably most of the Cabinet drink alcohol – the most dangerous drug of all – probably half has used cannabis, possibly even the Home Secretary, unless they are a group of very odd people."

"Shouldn't the Home Secretary follow the advice of the former Conservative leader Lord Hague, who makes the case for a regulated legalised market and that is the best way to protect people from harm who at the moment buy from criminals who

have no interest in their welfare at all."

Mr Javid said: "This is about making sure we have the best possible medical treatment available for everyone in the UK, but especially our children."

"It's about treatment, it is not about the recreational use of drugs which can cause severe damage to people.

"I'm afraid I don't

## 'PM death plot was foiled by MI5 spy'

AN Islamic State fanatic plotted to assassinate Prime Minister Theresa May in a suicide attack on 10 Downing Street, a court has heard.

Naa'imur Zakariyah Rahman, 20, was encouraged to cause carnage in Britain by an uncle who had joined IS and died in a drone strike in Syria, jurors were told.

He allegedly thought he was just days away from inflicting "lethal violence" with a blade and explosion before his arrest last November.

But his plan was uncovered by an MI5 agent who posed as a senior IS official in Syria, the Old Bailey heard.

Prosecutor Mark Heywood QC read out Telegram chat in which Rahman was allegedly snared by the fake Amir.

On September 14 last year, Rahman said: "Can you put me in a sleeper cell ASAP? I want to do a suicide bomb on Parliament. I want to attempt to kill Theresa May."

He allegedly said he thought about wearing "a vest", driving past Parliament and "pushing the button" to "clear the entire block".

Rahman, from Finchley, north London, has denied two counts of preparing terrorist acts.

The case continues.

## World Cup jet blaze horror

AN engine burst into flames during the landing of a Russian plane carrying the Saudi Arabian football team to a World Cup host city, but nobody was hurt, officials said.

The federal agency for air traffic said in a statement the Airbus was flying from St Petersburg to Rostov-on-Don on Monday evening.

The aircraft landed with both engines working and passengers disembarked normally.

Rossiya Airlines, the flight's operator, said the fire was probably caused by a bird strike.

## England's win in ratings war

ENGLAND'S World Cup victory over Tunisia was the most-watched TV programme of 2018 so far.

An average audience of 13.7million saw the team open their World Cup campaign with a 2-1 win, thanks to a pair of goals from captain Harry Kane.

Ratings peaked at 18.3 million during the closing minutes, when more than two-thirds of all UK TV viewers were tuned to the match.

The match easily beat the audience for the royal wedding in May, along with the year's previous most-watched show, *Britain's Got Talent*.

# HOLLY'S SEX TOY SHOCK!

**TELLY** presenter Holly Willoughby has been forced to DENY she's planning to sell SEX TOYS on her new lifestyle website.

Holly, 37, is launching a brand new blog this autumn called 'Truly' and applied to sell goods through the site, including 'sexual activity apparatus'.

The application, sent to the Intellectual Property Office, would allow Holly to sell saucy goods – including sex aids and dolls.

However, when quizzed about the potential X-rated sales, *This Morning* beauty Holly was left red-faced and a spokesman was forced to admit it was an embarrassing error.

#### Busty

A representative for the busty blonde said: "Truly's trademark application was filed to cover a whole range of goods."

"The reference to 'sexual activity apparatus' isn't something the business requires and we've requested that it be deleted."

Holly's lifestyle site is due to hit the web later this year and currently has six categories.

The TV stunner will be

writing about home, fashion, baby, wellness, living and travel.

Holly's move into lifestyle products has been compared to 45-year-old Gwyneth Paltrow's brand and blog 'Goop' – which does sell vibrators and sex items.

Despite the latest gaffe, Holly has previously ruled out flogging sex items on her site and insisted 'Truly' will be clean.

She said: "So the only things I've heard on *This Morning* about Goop, we had some sort of vagina steamer thing that you put on the toilet with herbs and stuff."

"As yet, on our list, there's no vagina steamer."

The TV stunner will be

## MARK'S ONLY WAY IS LA

**FORMER TOWIE** star Mark Wright loves California so much, he's reportedly told family and friends he's NEVER coming home.

Mark (right), 31, moved to Los Angeles last September after getting a job as a reporter on entertainment news show *Extra*, and isn't pinning for his Essex roots.

A source said: "Mark is so settled in LA. He's really been a hit in the States and is taken seriously – he would never get that in the UK, so he feels there's no point coming back."

## Second baby joy for Zara

ZARA and Mike Tindall have welcomed a baby girl, Buckingham Palace announced yesterday.

Zara, the Queen's granddaughter, gave birth to her second child – weighing 9lb 3oz – at Stroud Maternity Unit, Glocs.

The new baby, who is 19th in line to the throne and the Queen and the Duke of Edinburgh's seventh great-grandchild, is a younger sister for Mia Tindall, 4.

Buckingham Palace said in a statement: "Mrs Michael Tindall was safely delivered of a baby girl on 18th June, at Stroud Maternity Unit."

"Mr Tindall was present at the birth. The weight of the baby was 9lb 3oz."

"The Queen, the Duke of Edinburgh, the Princess Royal, Captain Mark Phillips and Mike's parents, Mr Philip and Mrs Linda Tindall, have been informed and are delighted with the news.

"The baby's name will be confirmed in due course."

Zara and Tindall married in Edinburgh in July 2011.

## Fatal stabbing: Teen on murder charge

A TEENAGER has been charged with murder after a 35-year-old man was found stabbed to death near a London tube station, Scotland Yard said.

Edmond Jonuzi was found with serious injuries on Greens Lane, near Turnpike Lane station, on the evening of June 9.

Detectives have charged 19-year-old Bilal Mumin with murder, grievous bodily harm and possession of an offensive weapon, the Metropolitan Police said.

Mumin, from north-west London, is due to appear at Highbury Corner Magistrates' Court.

Mr Jonuzi – also known as Edmond Preci – was pronounced dead at the scene.

Enquiries by detectives from the Homicide and Major Crime Command are ongoing, the force said.

# BREAST FACTOR

## Has Tulisa had her norts BOOSTED?

POP babe Tulisa is gearing up for a comeback and is making sure she looks her very BREAST for her return to the spotlight.

And it looks like the singer, 29, has transformed her image in a bid to relaunch her career.

### Whopping

Not only have her blonde tresses been dyed brunette, it seems she's also boosted her boobs by a whopping TWO cup sizes.

A source said: "Tulisa wants to make sure she's looking the best she ever has when she's

ready to return to music. "She's clearly made sure all eyes will be on her."

Tulisa was once one of the UK's shining stars and rose to fame with hip hop band N-Dubz before landing herself a judging role on *The X Factor*.

However, after she found herself in drink-driving trouble, Tulisa stepped away from the limelight and jetted off to Los Angeles where she's been working on new music.

If her rack is anything to go by, we can't wait for Tulisa to get back to business!

# PIERS AND SUSANNA IN SEX RIDDLE

TELLY star Piers Morgan quizzed co-host Susanna Reid about her sex life after finding out she hasn't been "entirely single".

The *Good Morning Britain* presenter confessed she'd had "nice times" with men in a recent magazine interview.

Reading the interview out on air, Piers, 53, said: "She hasn't been entirely single" since she and her partner separated. She's had some 'nice times' with men."

### Window

But after finding out his co-host goes to bed at 10pm and wakes up at 4am, he added: "Quite a small window there for nice times."

By OLIVER FLOYD  
[news@sundaysport.co.uk](http://news@sundaysport.co.uk)

Red-faced Susanna, 47, quickly told viewers they were "pre-watershed nice times".

But a confused Piers, hinting at something a bit more raunchy, asked: "How can a nice time even be pre-watershed?"

"Just going out for dinner," said Susanna, who refused to say any more about her love life.

Piers then went on to tell his co-host to drop

the "sweet look" and claimed she was talking "utter nonsense".

This came after Piers held up a picture of Susanna and claimed she was looking "hot".

He said: "I've got to say that's a hot picture."

"I know I'm not allowed to say that but it's hot."

Although he was disappointed to hear that the photo was actually taken four years ago, adding: "No wonder you spruced up so well."

**Missing man is found by police drone**

A POLICE drone found a 75-year-old man stuck in marshes almost 24 hours after he went missing on a family walk.

Peter Pugh became separated from the group at around 5pm on Saturday, and he was found at 2.35pm on Sunday in dense reed beds at Titchwell on the north Norfolk coast.

He was winched out and taken to hospital by air ambulance where he is being treated for hypothermia.

He had been walking along the beach from Brancaster, where he lives, towards Titchwell when he went missing.

A search operation involving around 50 people was launched, with efforts suspended at 2am on Sunday and resuming in the morning.

Mr Pugh was spotted in dense reed beds by the Norfolk Police drone, being piloted by Sgt Danny Leach, who guided other rescuers to him.

Sgt Alex Bucher, who helped co-ordinate the search, said: "There is no doubt that without the drone we'd not have been able to locate him in the time we did."

## PHW-ORA... RITA TAKES THE PLUNGE

POP star Rita Ora wore a plunging dress as she stepped out in public and flashed her enviable cleavage.

The 27-year-old hitmaker nipped out in New York wearing a daringly-low cut cream dress, with an unusual crochet pattern covering her right nerk.

Despite her bare boobs coming close to popping out, it was hard to distract from Rita's bizarre electric blue sunglasses.

Not that the sexy songstress has ever been one to shy away from a daring fashion choice.

# HEAD TEACHER GROPED TEEN BABYSITTER AS HE HELPED HER WITH HOMEWORK

**ATTACK:**  
Perry put his hand down girl's top

**A HEADTEACHER** at a leading girls' school is facing jail for groping a teenage babysitter after offering to help her with her maths homework.

Alistair Perry, 46, touched the girl after she came to his home to look after his children.

Perry, executive principal of the "outstanding" Colston Girls' School in Bristol, was found guilty of two sex attacks on the 16-year-old girl.

Churchgoing Perry massaged the girl – who was not a student at his school – before groping her breasts in his office at home.

He then groped her a second time when she was on crutches.

The girl was on a church group camping trip when she told her cousin that Perry had groped her.

Cardiff Crown Court heard the cousin then told the girl's parents, who in turn told police.

The girl told police: "He took me to his bedroom and he was helping me with my work."

### Massaging

"All of a sudden he stood up behind me and started massaging my shoulders and put his hand down my top and under my bra and started touching, massaging."

"That went on for about 10 minutes and he tried to kiss me."

"He said he was sorry, he shouldn't have done that. I thought that was it."

"But he kept going back to my parents to offer to help, but I didn't want it."

She told officers Perry touched her on a second occasion – after she agreed to babysit believing that he was out.

In an interview played to court she said:

**By COLIN HURST**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

"I thought he wouldn't be there. When I got there, his wife said to me that he wasn't coming and he was marking all his school work so he would follow her half-an-hour later."

"I sat downstairs, panicking the whole time, what he would do."

"He came downstairs and said he was going to keep me company. He rang his wife and said there was no point going."

"I was sat on the sofa and he came over and picked me up and put me on his lap and started doing different things to me."

"I was on crutches and couldn't leave. I was trying to work out if I could escape."

### Dress

"But he put me on his lap and his hands were going everywhere under the dress, everywhere."

"That went on for quite a while, then his wife came home."

Perry, of Colston Raleigh, near Sidmouth, Devon, denied two counts of indecent assault but was found guilty after a five-day trial.

The judge adjourned sentence until July 9.

## Beeb lays on birthday gig for Sir Lenny

SIR Lenny Henry will have his decades-long career honoured with a celebratory broadcast on BBC One to coincide with his 60th birthday this year.

The special will be filmed in front of a studio audience as the comedian (*above*) takes a light-hearted look back at his career, which started in 1975 when he appeared on talent show *New Faces*.

The show will also include archive clips from his years on the small screen, and there will be new sketches featuring special guests.

Sir Lenny, who turns 60 in August, said the broadcast is "a great honour", and that he is "very chuffed" to have his work celebrated.

He added: "One of the reasons I became a comedy performer was because of the rich and varied palette of comedy broadcast on the BBC throughout my childhood."

"I'm a comedy consumer now, but my teens were marked by my family's tendency to sit round the television and watch everything."

SHOCKED: Nicola

**FORMER glamour girl Nicola McLean has SLAMMED Love Island and BANNED her son watching its X-RATED content.**

Nicola, 36, said she's not letting her son Rocky, 12, watch the ITV2 reality show because she doesn't want to explain rude things to him.

She revealed: "I've decided it's absolutely ludicrous. My house is open, I walk about naked but using a musical instrument as a sex toy?"

### Vagina

"I don't want to have to explain putting a recorder up a vaginal!"

Nicola was referring to a moment in the opening week of *Love Island* where contestant Niall Aslam admitted

to using a recorder as a sex toy.

He made the explicit admission during a confessional game in front of other Islanders and his revelation left them open-mouthed.

Niall, 23, has since left the luxury villa for 'personal reasons' but his outburst clearly left an impact on ex-Celeb Big Bro babe Nicola.

**Cheryl fumes as Liam calls beauties 'hot'**

CHERYL is allegedly FURIOUS over toyboy Liam Payne's flirty behaviour with a whole host of other girls.

The pop star, 34, was left red-faced after her 24-year-old boyfriend gushed about South American babe Anita, calling her "hot", "amazing" and "cool".

However, his antics have reportedly left Cheryl (*above*) seething and feeling unsexy.

A source said: "Cheryl feels her patience has really been tested with Liam's antics about other girls. When he branded Anita 'hot', Cheryl thought it disrespectful.

"It's like he thinks she is so self-confident and strong that she wouldn't be bothered by him saying that, but it's making her feel really unsexy."

"Liam has said he'll make changes, but Cheryl has heard that before. Now she says it's time for action."

Over the past few months, Liam's been seen grinding against his backing dancers and released racy single *For You* with hot hitmaker Rita Ora.

### 'Kid-friendly' Coral ads ban

THREE gambling adverts featuring a rainbow and a leprechaun, animated fish and a wizard have been banned for having appeal to children.

Coral's website ran the three games - Rainbow Riches, Fishin' Frenzy and Lucky Wizard - on February 20 with various animated images.

A viewer complained the ads were likely to be appealing to kids.

Coral carried out an extensive internal review of its website content to ensure it wasn't breaking any advertising rules.

But the Advertising Standards Authority said they were, and banned the ads.

# WEMBLEY GRANDAD SHOOK HIS PENIS AT RIVAL FANS 'FOR FIVE TO TEN SECONDS'

ANGRY:  
Steinmetz reacted to taunts from fans

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A RESPECTED** grandad exposed himself at rival fans during a moment of "sheer stupidity" at Wembley Stadium.

Lifelong Newcastle United fan Keith Steinmetz, who has never been in trouble before, travelled to the capital to see his team play Tottenham on May 9 this year.

After being verbally abused by opposing fans, the 57-year-old grandfather-of-two decided to drop his trousers and "shake his penis" at his taunters for "five to ten seconds", a court heard.

#### Arrested

However, the stunt backfired as Steinmetz was seen by a number of witnesses and security staff. He was detained and arrested.

Now Steinmetz, of Gosforth, Newcastle upon Tyne, is facing a football banning order after he pleaded guilty to one count of exposure and a public order offence during a

EXPOSURE: Wembley stadium

hearing at North Tyneside Magistrates' Court.

Prosecutor Lorna Rimell said Steinmetz had been supporting his team at the Premier League match, which had an evening kick-off, at Wembley.

She added: "At 9.15pm, during the match, the defendant was seen to expose his penis by a number of witnesses, including home and away supporters and security staff.

"He's described as pulling down his trousers, holding his penis and shaking it towards the Tottenham fans.

"He had his penis out for about five to ten seconds."

Steinmetz, who had drunk

between six and seven pints of lager, was immediately detained by security staff until the police arrived and he was arrested.

During interview, he was extremely remorseful and "at a loss" as to why he'd behaved in such a way, the court heard.

Mark Harrison, defending, said Steinmetz was a respected man, both in his domestic and professional life.

And he said Steinmetz had exposed himself "in a moment of sheer stupidity" because of taunts from the Tottenham fans.

#### Gutted

The solicitor added: "To use the term 'excruciating' would be an understatement about how he feels about these proceedings.

"He describes himself as gutted, disappointed, embarrassed and angry.

"He's a professional person who's got a highly responsible job, which he faces losing."

Magistrates gave Steinmetz a six-month community order and fined him £600.

Steinmetz will return to court at a future date when it will be decided if he will be given a football banning order.

Newcastle lost the match 1-0.

# JAMES CORDEN: I GAVE TRUMP A GOOD SPANKING!

**TELLY** presenter James Corden revealed he once SPANKED Donald Trump.

The funnyman, who is now a huge star in America, admitted he once got up close and personal with the US President, 72, on Broadway.

James, 39, played the lead character Francis Henshall in the stage show *One Man, Two Guvnors*

By BECCA STUBBS  
[becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

– and the cast had a very special guest in 2012.

British comedian James said Trump went to watch the show and ended up being dragged on stage and spanked.

When asked if he'd met the President, James said: "Yes, I pulled him up on stage during the run of *One Man, Two Guvnors* on Broadway.

"I spanked him – this was

years before he ran for President, of course."

As well as copping a feel of Trump's rump, he also said the billionaire businessman tried to get on his popular chat show, *The Late, Late Show with James Corden*, during his presidential campaign.

James said: "Someone from his team got in touch with us, saying, 'We'd love to create a viral moment with you guys'.

"So we came up with an idea for a game to play with him

called 'Stand By It, or Take It Back'. We wanted him to sit in a chair with two paddles – one saying 'Stand By It', the other saying 'Take It Back'.

"And we would read real quotes he'd said during the campaign and give him the chance to take them back.

"If he did, it would be gone forever because we all make mistakes.

"But if he stood by his quote, he'd have to explain why.

"They very swiftly dropped all contact."

Alexa checks in to hotel rooms

ALEXA has a new job – hotel concierge.

Amazon has launched a version of Alexa for hotels that lets guests order room service through the voice assistant, ask for more towels or get dinner recommendations without having to pick up the phone and call the front desk.

Marriott has signed up for the service, and will place Amazon Echo smart speakers in 10 hotels this summer.

Amazon already sells a version of Alexa for workplaces, and has struck deals to place it in cars and fridges.

The firm said data from hotel guests will be deleted daily, and Marriott said those who do not want the device can have it removed.

**POP star Sinitta has BRAVELY spoken out about the time she fought off a SEX ATTACKER while on holiday at Simon Cowell's mansion.**

The 54-year-old has described the moment a man pinned her down on a bed and she 'fought him off' at Cowell's holiday villa.

Music mogul Cowell, 58, was furious at the attempted assault and confronted the guest, threatening him.

Sinitta spoke about the incident and revealed it happened while the couple were on holiday in the French Riviera.

She said: "We had different friends coming out. One weekend a man came to stay."

"At the end of a lovely day of drinks and things, Simon asked me to show him to one of the guest rooms.

## Grabbed

"But the villa was huge and sprawling, so I thought 'let him choose which room he likes best' because they were mostly vacant."

"I took him on a tour of the house and showed him this room and that room."

"But when we got to the basement – far from everyone – he said 'Oh, I like this one. I like this one'."

"I leaned over to say goodbye to him with a kiss on the cheek."

"He grabbed me, pulled me down on top of him and was suddenly on top of me on the bed."

"I was struggling with him a bit but trying not to seem panicked."

"I fought with him and edged my way from under him."

**SAUCY** Scarlet Bouvier wore a minuscule thong as she told us all about her **KINKY THREESOME** fantasy.

The 24-year-old stunner, from Brentwood, Essex, squeezed her ample assets into a sexy laced top and matching G-string and added a suspender belt to send temperatures through the roof.

However, everyone needed a cooling down when the 32E busty babe told us all about the ménage-a-trois of her dreams, which involves an A-list lookalike.

Scarlet exclusively told the *Midweek Sport*: "I would love to have a threesome. The thought of another woman is a turn-on!"

"If it was a girl who looked like Megan Fox I wouldn't be able to say no, would I?"

"I'd love to be naked and doing things with her while a guy watched. It would be so hot!"

"But at the same time I wouldn't mind being with two good-looking guys. I think it just comes down to who I'm attracted to."

# BLAME IT ON THE BUGGY!

A DRINK-driving teen who got behind the wheel of a golf buggy and attempted to go into a McDonald's drive-thru has been banned from the roads for a year.

Jamie Elliot was over the limit when he started driving the "propelled vehicle" in Catterick, with a passenger on board, in the early hours of May 29. A court heard how the 18-year-old had been out drinking when he took the golf buggy from Catterick Golf Club and tried to take it into the drive-through, which is over a mile away.

#### Unusual

The North Yorkshire Police posted a picture of the buggy at the time, describing it as the "most unusual job of the night".

Elliot, of Richmond, admitted one count of driving while unfit through drink.

He was handed a 12-month driving ban and ordered to pay £235 in fines and court costs.

Elliot was also told by magistrates in

of breath, the legal limit being 35.

Nick Woodhouse, defending, said: "Given that he was driving a vehicle that is not capable of any high speed, with no traffic on the roads, a financial penalty might be considered a fairer punishment than a disqualification."

"He was co-operative with officers at the scene and fully accepts what he has done."

However, chair of the bench Julia Svennevig imposed the driving ban, telling Elliot that he would have to apply to the DVLA in order to get his licence back.

He stole the two toes, worth £6,000, from a body which was on display as part of the Body Worlds Vital exhibit.

Appearing in the Auckland District Court, the man was remanded on bail and will appear in court again at a later date.

# DON'T JAIL ME I'VE GOT ITCHY BALLS!

**LIFE'S A PAIN:**  
Brand has rare disease

**But judge ignores blackmailer's plea**

**A BLACKMAILER tried to avoid prison by telling a judge he suffered from ITCHY BOLLOCKS .**

Paul Brand, 41, had admitted threatening to post naked pictures of a woman on the internet.

But the crane driver, of Banbury, Oxon, pleaded through his defence counsel to be spared being locked up because his pus-filled genital area would get worse if he could not

By COLIN HURST  
[news@sundaysport.co.uk](http://news@sundaysport.co.uk)

spend hours sitting in a bath of cold water.

Brand suffers from a rare disease which causes his sweat glands to swell in the crotch, armpits and around the buttocks.

The glands fill with pus and itchy sores that result in discomfort.

The cause of the ailment is not known and there is no cure for it.

The blackmail charge arose from Brand

demanding £500 from a woman not to publish naked pictures of her on a beach on the internet.

She called the police and Brand was arrested.

Defence counsel Imran Majid said: "He spends a lot time in the bath to alleviate the pain of his skin condition."

"He needs somewhere where he has his own bathing facilities."

But the judge jailed Brand for two years and added another six weeks from a previous suspended sentence.

**Kylie 'forking out to become sexiest of all'**

REALITY TV star Kylie Jenner plans to splash the cash to become the "sexiest" member of her famous family, it's claimed.

Despite being aged just 20, Kylie allegedly has a diary packed full of surgery appointments and her transformation is rumoured to be costing the star a whopping \$200,000.

Her body overhaul comes just months after she gave birth to daughter Stormi now she wants to get herself into the best shape of her life.

A source said: "Kylie's on a mission to be the top 'Brunette Barbie' ahead of Kim, and totally transform her body."

"She's obsessive about surgery and her diary is overflowing with appointments for various procedures. It seems to be her biggest priority and she doesn't care how much it costs. "Growing up, she felt like the ugly duckling, but she's on a mission to be the sexiest member of the family. She'll probably never stop."

**Sex & the TITTIES!**

SUPERMODEL Heidi Klum looks set to swap the catwalk for a film set to star in the next *Sex and the City* movie.

Heidi, 45, is being billed as the 'rescue remedy' and is tipped to step into Kim Cattrall's shoes for a third movie spin-off based on the hit US drama series.

*America's Got Talent* judge Heidi is in talks to replace Kim in a casting switch which HBO bosses believe could refresh and revitalise the franchise.

Blonde bombshell Kim, 61, played Samantha Jones in the series but has vowed never to set foot on set again following a

long-running feud with co-star Sarah Jessica Parker, 53.

But studio executives are said to be "hugely excited" by the prospect of Heidi replacing Kim to play the man-eating character.

It wouldn't be the first time Heidi has appeared on *Sex and the City* – she made a guest cameo in an episode in 2001.

The show's other stars, Kristin Davis, 53, and Cynthia Nixon, 52, are said to be "strongly in favour" of the potential new recruit.

Millions still tune in to watch re-runs of the original TV series, which aired from 1998 to 2004, and the first two movies.

**Kym: I'd give up Corrie for X Factor**

SOAP star Kym Marsh wishes she'd have been an *X FACTOR JUDGE* and reckons she'd have done a great job.

*Kym (above)* was discussing the rumour that Robbie Williams, 44, and his wife Ayda Field, 39, are set to be named the new *X Factor* judges.

However, the Coronation Street actress thinks she'd have made a better choice and would have happily swapped the *Rovers Return* for a seat next to Simon Cowell, 58.

The 42-year-old said: "I think I'd have good input and banter with Simon Cowell, but they've never asked me!"

**Sandra says Bullocks to sex scenes!**

HOLLYWOOD actress Sandra Bullock has defended her decision to REFUSE to have SEX SCENES in films.

The 53-year-old (above) was reported to have used contractual clauses over on-screen shagging as early as 1993's *Fire on the Amazon* and she's still standing by her choice.

Sandra said she has no desire to film a sex scene and insists she doesn't want to see herself bonking.

She said: "I'm not the kind of person who says, 'I'm gonna tape myself having sexual intercourse 'cos I'm gonna look good'."

"I don't wanna know what my best angles are. Don't wanna see it. Don't wanna hear it. Therefore, I'm not going to do it on film."

The Oscar-award winning star is back on the big screen this summer, in the all-female *Ocean's 8*.

When asked what made her take the role of Debbie Ocean, she simply replied: "What made me say yes to *Ocean's 8*? Lots and lots of money."

Gail: Axe the 'thick' Love Island stars

FORMER lads' mag stunner Gail Porter says reality TV show *Love Island* should be BANNED.

Gail, 47 (above), who posed in her smalls for men's magazines back in the 1990s, said that the ITV2 hit should be ditched and older people should be put on telly instead.

The presenter said: "I've never really thought about my age – in my head I still think I'm 18."

"I'm not fussed by male attention and we shouldn't rely on that to make us feel good."

"I go to the gym or for a run four times a week, and that gives me a confidence boost."

"I think there should be more older women on TV, and ditch programmes like *Love Island*, where people don't have many brains but they look pretty."

"It's what's inside that counts, and all women – and men – need to remember that."

Gail declared herself bankrupt last year but revealed on *Loose Women* she is now financially stable.

Fans' fury as flags filched

ENGLAND fans have appealed on social media after custom-made flags were stolen from the Volgograd Arena.

Dozens of England flags were hanged from the top tier of the stadium during the Three Lions' 2-1 win over Tunisia on Monday.

James Corfield, 27, from Stourbridge, and his dad Tim, 63, had taken their 'Corfs on tour' flag, a St George's Cross with a Wolverhampton logo on, to every away World Cup qualifier and friendly.

He said: "They all just got taken as soon as the final whistle went. I think the Russians have a fascination with them."

# DOC TOLD WOMAN PATIENT TO BRING HIM SEX TOYS

Examined her and asked her for sex

## KIM NIPS OUT!

REALITY A-lister Kim Kardashian was left feeling the CHILL as she enjoyed a lunch date with her family and friends.

Kim, 37, squeezed into a skin-tight black vest top for the outing. Her eye-popping boobs looked sensational but the lycra-style material left her nipples poking through.

A PERVERT doctor who told a patient to bring SEX TOYS to his surgery and who wanted to give her PORN has been banned.

Gynaecologist Dr Iftekhar Ahmed, 51, even asked the woman if she wanted sex after performing an intimate examination on her.

The married dad-of-two also watched the patient undress at his surgery in Huddersfield, West Yorks, and warned the woman not to tell anyone of his antics because he would "be in trouble".

The Medical Practitioners Tribunal Service in Manchester heard how the woman, in her 40s, went to the Princess Royal health clinic for advice about sexual health twice in August 2013 and January 2015.

She was left shaken and embarrassed as the doc quizzed her over her sex life, what sex toys she used and if he could look at them.

The woman said: "He started behaving strangely when I told him I didn't have a boyfriend. He started asking about my sex life and if I was having sex."

"I said I am having sex with someone because I didn't want him to know I was on my own as I felt uncomfortable and worried.

### Licking

"He went on to ask many sexual questions like what sexual positions I do and which I like."

She added: "He asked if I like licking and he pulled his tongue out and wiggled it."

Ahmed was found guilty of sexual misconduct, including touching the woman intimately without consent and asking if she felt like having sex while he was examining her.

She said: "I did not answer, but I felt dirty."

"He then said again did I feel like I wanted to have sex while he was

doing the exam. I did not answer."

The woman told how she saw Ahmed "staring at me when putting my clothes back on".

Ahmed then accessed her medical records to obtain her telephone number and asked her more inappropriate questions about her private life.

### Pornography

He also asked about installing pornography on her PC at home.

The patient said in her statement: "He said it was Dr Ahmed, and was it OK for him to come to my house to put porn on my laptop."

Ahmed did not attend the disciplinary hearing and was banned from the medical register for life.

## NBA star Brown sues cops

YANK basketball star Sterling Brown has filed a lawsuit against the city of Milwaukee and its police department, claiming unlawful arrest and excessive force after officers used a stun gun on him during his arrest for a parking violation.

Mark Thomsen, a lawyer for the Milwaukee Bucks player (*left*), filed the lawsuit in federal court.

Brown, 23, had been talking with officers while waiting for a citation for illegally parking in a disabled spot outside a store on January 26, when they took him down because he did not immediately remove his hands from his pockets as ordered.

Brown was not charged with anything and three officers were disciplined and suspended.

# 'JEALOUS' HEATHER LOCKLEAR IN GUN FRENZY!

**HOLLYWOOD** beauty Heather Locklear has been hospitalised for threatening to **SHOOT HERSELF**.

The troubled actress reportedly flew into a jealous rage on Friday over suspicion fiance Chris Heisser was cheating on her.

Locklear, 56, continued to spiral out of control over the weekend and by Sunday she was so out of control she allegedly attacked her parents when they tried to calm her down.

A insider said: "They tried to help her, but she choked her mom and hit her dad."

## Violent

Her mother then called police concerned that she was acting erratically, was "violent" and was going to hurt herself.

She said that Locklear was looking for a gun to shoot herself.

Ventura Co Fire and Sheriff's Departments responded and Locklear was taken to a local hospital for psychiatric evaluation.

The incident is not being treated as criminal.

Sources also claim that Heisser and Locklear's family fear she may have relapsed and begun drinking again following a stint in rehab.

The trouble is said to have started when the *Melrose Place* star and Heisser got into a fight outside an LA restaurant, sources said.

She faces four counts of battery against a cop.

## Wife shoots hubby's balls during row

A WOMAN shot her husband in the bollocks in a row over air con. Kimberly Dunn, 35 (above), blasted her estranged partner after he confronted her at her home while trying to retrieve a cooler.

The unnamed man discovered Dunn had been trying to sell the air conditioner online.

He lost his cool and tried to take the machine, but she sat on it in protest.

As he tried to shift her from the unit Dunn, who had both a stun gun and a pistol on her, then tried to electrocute him.

Before she could pull the trigger, she was struck on the head, but she reached for the handgun and fired a single shot in the direction of her hubby – which struck him in the testicles.

Her wounded ex was rushed to hospital and has made a full recovery.

When arrested by police in Lake City, Florida, Dunn said she had only been trying to scare her husband.

She was arrested again for failing to show up in court.

## Mourner crushed by mum's coffin

A MAN was CRUSHED to DEATH after his mother's COFFIN fell on him during her funeral.

Samen Kondorura, 40, died when pallbearers carrying his mum's coffin lost their footing as they climbed a ladder.

The casket fell as the group tried to hoist it onto a lakkian – an ornate tower where the dead in Indonesia are placed in traditional funeral rites.

As the coffin was raised to the lakkian, the ladder shifted and collapsed leaving the coffin freefalling and crushing the mourning victim.

Horrified onlookers rushed to the man's aid but Kondorura died later in hospital in Sulawesi, and his body is now resting alongside his mother Berta.

Cops said the accident happened because the ladder was not properly reinforced but the family are not pressing charges.

# Fire crew pair make sex tape at work!

SUSPENDED: Arthur Dean and Deann Eller

**TWO firefighters have been suspended over claims that they filmed themselves having SEX at work.**

Arthur Dean and his partner Deann Eller are on paid leave after fire bosses were given an anonymous tip the saucy video clips were available online.

The couple are in a long-term relationship, but could be axed from their jobs if the allegations against them are proven – and could even face criminal charges.

Investigators are now trying to establish whether the porn was made while Lt Dean and Provisional Lt Eller were on or off duty, and how it ended up online.

### Distressing

They are also trying to find out where it was made, with the couple believed to have worked at separate fire stations in Akron, Ohio.

Local Fire Chief Clarence Tucker called the allegations "shocking and distressing", adding: "I am truly devastated that this will distract from the meaningful

and important work being done to keep our citizens safe.

"This is not who we are."

Locals had mixed feelings on the allegations, with one woman telling CBS she wanted to wait for the full facts to emerge.

She said: "Everyone will really be in protest if you don't give them their due diligence."

But another took a harder line, saying: "I don't like the idea of people doing something like that on the job, and then filming it... putting it on the internet."

"That's not right."

# Homeless 'forced to pull teeth out'

ONE in six homeless people "pull their own teeth out" as they are refused access to dental services, MPs have heard.

Labour MP Stella Creasy said many homeless people "hit a brick wall" when they try to their teeth fixed.

She asked in the Commons: "Will the minister meet with me to look at what we can do to change this and make sure that her promises aren't toothless."

Health Minister Jackie Doyle-Price agreed to meet Ms Creasy, adding: "I agree with her, notwithstanding what expectations we have of GPs and dentists in this area, it is quite clear that homeless people are not always getting access to the treatment that they should have."

Following Ms Creasy's comments, the British Dental Association joined calls for action.

Engaged star Sheridan's 'fantasy life'

ACTRESS Sheridan Smith is living a FANTASY LIFE after her whirlwind engagement to fiancé Jamie Horn.

According to close pals, the 36-year-old blonde is in denial over her relationship with her 28-year-old toyboy.

One insider said: "Sheridan has always rowed with boyfriends in the past, and it's no different with Jamie."

"She moves at a hundred miles an hour and Jamie finds it hard to keep up. She seems reluctant to listen to anyone."

Pals worry that she could be living in a fantasy about the state of things between them – although she has assured her friends and family that she knows what she's doing.

"Her friends fear it could spell disaster if all doesn't go to plan, and they worry about how she'd recover if the wedding was called off."

Sheridan won critical acclaim in TV biopic *Cilla* in 2014 and met her new lover through online dating website Tinder.

**Man shoots his wife and dad for nagging**

A MAN furious with his in-law's nagging SHOT DEAD his wife and her father before turning the gun on himself in a hospital waiting room.

Chaiyaporn Thanamsri, 31, accompanied his wife Thanyamas, 26, their six-week-old son and his father-in-law Samphan, 60, when his wife went to the doctors last Friday for a check-up.

But things took a deadly turn when Chaiyaporn began arguing with his father-in-law after he told him to get a job and insisted his daughter was too good for him.

Chaiyaporn, pulled a gun from his bag and shot his father-in-law twice in the head then blasted bullets through his wife's chest, arms and back.

He then turned the gun on himself as other patients ran for their lives and stray bullets injured two other patients in Nakhon Pathom Hospital, northern Thailand.

# 'DEVIANT' TEACHER AND PAL HELD OVER TEEN BOY SEX RING

**SCHAFFER'S CHAIN SMOKIN' HOT!**

GERMAN supermodel Micaela Schäfer looks SMOKIN' HOT in a chain-link and black jewelled ensemble.

**ARRESTED:** Tip-off led cops to Pourani (left) and Sisco

**A TEACHER and her best friend were labelled 'sexual deviants' after they allegedly seduced boys as part of a teenage sex ring.**

Talia Sisco, 24, was arrested amid allegations she romped with numerous lads, who are said to be relatives of family friends.

Her 23-year-old pal Tina Pourani was also booked on multiple counts of unlawful sexual intercourse and oral sex with a minor.

All the lads are aged between 15 and 16.

Police are now appealing for any other possible victims to come forward.

### Graphic

Sisco, who taught at Bernal Middle School in San Jose, California, is being held without bail.

Pourani has been released pending further investigation after paying \$60,000 bail.

The women, who met while they were both at school together, have reportedly been under investigation since April.

The sheriff's office said they received a tip-off suggesting there was

a series of alleged sexual relationships between these suspects and several boys attending a local high school".

Alleged victims made claims to police, who eventually "collected extensive evidence of a graphic sexual nature".

This included a reference by at least one of the suspects describing the women as "sexual deviants".

It is not known if any of the alleged victims attended the school Sisco taught at.

Sheriff Laurie Smith said: "If there are other victims still out there, please come forward."

**Three dead in gang shooting**

CRIMINAL gangs fighting over territory or honour have been blamed for a shooting in the Swedish city of Malmö that left three men dead and three injured.

Police in Sweden's third largest city said three of the men – aged 19, 27 and 29 – had died. None of the victims were identified.

Three others – aged 21, 30 and 32 – were injured, one seriously, a health authority spokesman said.

Malmö police chief Stefan Sintesius told a news conference the shooting was probably linked to feuding criminal gangs as conflicts have become more common in recent years.

In Malmö alone, there are three or four gang feuds, Mr Sintesius said, adding that there was no motive for the shooting but feuds could start over business conflicts, women or a perceived lack of respect by others.

**Kissing**

"It has to be boiling hot and I lie in it for at least 45 minutes letting the water soothe my muscles one by one."

"Baths can also be very sexy – especially if you have someone to share it with."

"Then things can get really hot."

"We would start by lighting some candles, then pour a glass of wine and feed each other strawberries and chocolates before kissing passionately."

"The rest? Well, I'll leave that to your imagination."

# Five creative bonking tips to burn up the calories

By BECCA STUBBS  
becca@sundaysport.co.uk

## A STEAMY romp isn't just good fun, it's also a form of exercise.

Recent studies have shown that men will burn 200 calories every 60 minutes in bed, while women will burn 138 calories every hour.

To help you get more bang for your buck, sexologist Sunny Rogers revealed her top five calorie-burning sex positions:

### MISSIONARY HIP DIPS

Instead of lying flat on the bed, women should tilt their hips up and forward so the pelvis gets closer to the man's body every time he thrusts.

Make sure you engage the core, which allows you to burn more calories and even strengthens your abs.

Don't be afraid to make some noise – each moan burns five calories.

### THE SQUAT

The woman is on top in this position, so you're already working your body hard.

Get your girl to put her feet either side of your hips before she then squats onto your cock, it works her bum and glutes overtime and has you all in a spin.

### ENGAGED DOGGY STYLE

Traditional doggy style sees men doing all the hard work, but by staying still women can have their turn and thrust backwards onto your penis.

To increase the burn, engage your core – which boosts your calories from 98 to 118.

### KNEELING WHEELBARROW

Start in the traditional doggy style, then get the man to lift the woman's legs one at a time – grasping just above the knees.

The girl should then push up on her hands while he kneels – and it should feel like she's planking.

This targets muscles in arms and lower back, while allowing the same deep penetration as doggy style.

### THE ARCH

Essentially an elevated missionary position, ladies have to lift their hips into a yoga position called the bridge.

The man should be on his knees, with the woman holding the back of his thighs.

This is an intense full-body workout, where women work their calves, quads, core, lower and upper back, triceps and shoulders.

Sport stunner Victoria Zdrok said: "Burning calories trying out different sex positions is my idea of a perfect workout."

"Forget the gym, I'm dragging my man to the bedroom to try these out!"

"Sex is amazing and if it helps us tone up too, then we should all be shagging!"

## #MY SEX FANTASY

**'I like a guy to fling me about and have his wicked way...'**

By JAYNE FERGUSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**JUICY** Jasmine Rouge says she's after a man to be her **MASTER** in the bedroom.

The 34D beauty revealed she has a submissive nature and longs to play the role of a **SEX SLAVE**.

Jasmine, 28, from Newcastle, said she likes it "a bit rough" in bed and loves a spot of spanking.

She added: "I love a confident guy who will take the lead. Power is a massive turn-on for me."

"I love being bossed about in the bedroom – it's so hot."

"I like a guy to fling me about and have his wicked way with me."

"Someone who can really let loose on me is my kind of fella."

**Animalistic**

"Rough sex feels totally animalistic and really gets the adrenaline going every time."

"I love a little spanking and my nipples being tugged, maybe my hair pulled a little."

"I like submitting and seeing how far he will take it with me."

"Kneeling on the floor and looking up into a man's eyes while you're sucking his hard cock is something that's pretty effective, too."

"Building a little kinky dungeon in my house is one of my ultimate fantasies."

"I'd have lots of whips and spanking paddles hanging up on the walls and loads of swings and racks I can be tied up to."

"I'm getting all worked up just thinking about it!"

# THE WORLD FAMOUS AGONY Page

Dear Tess,

I HAVE never been a fan of muscle-bound guys, so when my aunt asked me to go to a male strip show with her and a few of her dubious mates, I wasn't all that keen.

But the show started up and I have to say I was a lot more impressed than I thought I'd be.

And after a couple of drinks, and egged on by my aunt's pals, I started flashing my tits.

One of the hunks got me on stage and started rubbing oil on my breasts and his cock in my face.

With all the crowd cheering I was getting pretty turned on and started to give his willy a lick.

That sent the crowd wild and I didn't mind when one of the strippers pulled down my satin trousers and started licking up and down my thighs.

Later, backstage, I pulled my pants to one side and guided his length in my sopping fanny.

As soon as I felt his cock inside me I had an orgasm. Since then my boyfriend can't compare to riding a hunky male stripper.

What can I do?

HJ, Liverpool

Tess says...  
WELL, for a start you might want to consider getting out a bit more!

Dear Tess,

NICE weather means lots of cycling for me – and I have been exercising regularly of late.

When I come home, all hot and sweaty after a ride, my wife joins me in the shower and we have great, soapy sex together, with her lathering up my pump before we jump in the saddle.

But bonking seems to ruin my fixed training regime and after a marathon session with the missus, my personal best times are always a little slower.

Any advice?

TV, Lancs

Tess says...  
PUT the bike away and keep fit by shagging your lovely wife.

## Sparks flying with wife over my bit on the side

Dear Tess,

I'M an electrician and I'm often asked to do jobs at the homes of horny housewives.

Last month I went to a bloody huge house in one of the more upmarket parts of town to rewire the bathroom and was greeted by a gorgeous redhead.

She showed me upstairs to the bathroom which was huge with a massive sunken tub in the middle of it.

As I worked on adding a light fitting she told me that her husband was away. She turned on the tubs taps, stripped off and asked if I'd like to join her in the bath. The bulge in my overalls gave her the answer, and when it was filled I too stripped and got

into the steamy water with her. I began to kiss her soapy boobs and she sucked me off.

We dried each other off and went to her bedroom where she handcuffed me to the bedhead and rode me so hard she nearly snapped my dick.

Since then I've seen her every week. The trouble is I told one of my mates and his girlfriend blurted it out to my wife.

She slapped my face and said she'd divorce me unless I stop seeing the woman.

What do should I do? I'm very attached to my bit on the side.

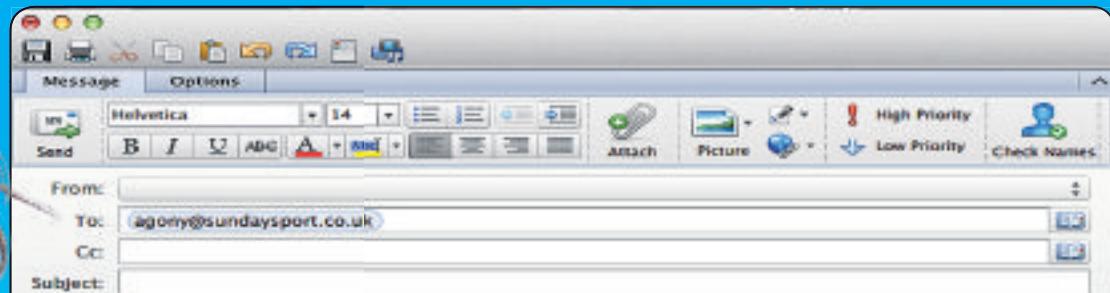

TP, Hull

Tess says... .

WATCH yourself, electricity and water don't mix!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week TESS O'REILLY has been reading through your letters. And here's her advice for you...**

# I'm having hot sex with fit horny mother-in-law

Dear Tess,

**I'M a 36-year-old recently married guy and my wife is just 19.**

She really is lovely and I know that I should feel proud that she fell for someone who was 17 years older than her.

But the trouble is that I have now fallen for her divorced mother, who is only four years senior to me and a lot more on my wavelength than her sexy but rather unadventurous daughter.

And I am ashamed to say that a couple of weeks ago we actually made love after a family party.

It was a really good get-together and halfway through the evening I was a bit pissed, and so was my mother-in-law, but we were both having great fun dancing.

My wife's not much of a party animal and went home early.

I carried on and at about 1am her mother said that she was knackered and asked if I'd share a taxi with her.

When we reached her house she invited me in and told me to pay the driver, saying that she'd order another for me later.

But I didn't need one because as soon as we were inside the front door she jumped on me and gave me a hug and a big sloppy kiss.

I knew where it was all heading and it honestly crossed my mind that I should push her away and

explain that I should get back home to her daughter.

But I didn't.

After some general groping of each other's genitals through our clothes she led me upstairs and we stripped off before falling on the bed.

By this time my cock was as hard as I can ever remember it being, and as I fingered her I could feel she was just as eager as I was.

## Juicy

She straddled me and with her moist fanny just inches from my face she began to suck me off slowly and expertly.

I couldn't resist the sight of her juicy parts and I lifted my head and began lapping at her moist pussy with long, slow strokes of my tongue.

The taste of her sticky love juices was amazing and I nearly wore my tongue out licking her heavenly flaps and inner pink bits.

Soon we were both completely aroused and obviously very eager to get on to the main act.

We'd both gone way past the point of

no return, so I climbed on top of her and thrust my cock into her.

As did she let out an almighty groan, like she hadn't been poked in a very long time.

I rode her for a while, bringing her to a couple of orgasms, before emptying my load deep inside her.

Then we both fell asleep.

When I woke up it was 10am!

My mind was racing as I tried to figure out what to tell my wife

But I needn't have worried because she had phoned her daughter to tell her I'd been too drunk to get home and had slept on her sofa.

Thankful, I shagged her again, then dressed and went home.

But even though neither myself nor my mother-in-law has mentioned that night since, I can't get her out of my mind.

What should I do?

*DM, Falmouth*

**Tess says...**

**STOP now before you ruin TWO lives.**

**Dear Tess,**

I'M a 26-year-old man and I've started this new job in a factory where there's this lovely blonde girl with an absolutely perfect figure.

After only a couple of days she asked if I could give her a lift home after work, so I agreed straight away.

When we got to hers, she asked if I'd like to go in for a drink – by way of a 'thank you'.

Naturally, I agreed, expecting that we would get to know each other a lot better.

But almost before we were through the door, she put her arms round me and stuck her tongue down my throat.

This sent my winkle skywards and she grasped it firmly and was soon on her knees, taking my length in her mouth.

I didn't last long but she soon revived my floppy cock and the rest of the night was spent having amazing sex.

She's a right nympho, but I live at home with my mum, and she wouldn't approve if I came back with this sex siren.

What should I do?  
*FC, Cumbria*

**Dear Tess,**

I RECENTLY went to my local with the lads and tried to pull the big-titted barmaid, without luck.

After several pints of lager, I decided I'd be going home alone again and mentally prepared myself for an aggressive Saturday night lounge w\*nk.

As I took a shortcut through the park I saw a couple of blokes standing by the old boathouse. I went over and couldn't believe it when I saw they were watching a middle-aged blonde having it off with two fellas.

I got chatting to one of the blokes and he told me that the men were shagging his wife and I could have a go too, if I wanted.

The woman winked at me as I watched her sucking a guy's dick as she was being pumped from behind.

When it was my turn, I was rock-hard. She took my old fella eagerly into her gob and I was so turned on that I came almost immediately down her throat.

We now meet every week and I've shagged her quite a few times.

Now at least 10 men turn up. Some just come to watch, but the others eagerly get their custard canons fired by this filthy MILF.

Last week I brought a couple of mates with me and they loved it.

Now she wants to leave her husband and move in with me. What do you think I should do?

**INKED-UP** stunner Kitty King is a real MINX in the bedroom and admits she loves experimenting between the sheets.

Busty Kitty, 24, from Margate, Kent, squeezed her ample curves into a bright green lingerie set and flaunted her eye-popping 32F boobs.

As well as looking incredible in the photo shoot, Kitty showed off her extensive tattoo collection and ramped up her sex appeal by parading her pierced nips.

And her appearance is just the start of her sexy nature, as Kitty confessed she loves to experiment and get wild in all aspects of her exciting life.

#### Romps

The brunette babe explained: "My tattoos and piercings are just the start – but they do help as I look gorgeous naked, which my loyal fans will know!"

"Sex toys, S&M style bonking and outdoor romps – you name it, I've tried them all."

"I love trying new things and if I don't like it I simply won't try it again."

ALL THE ACTION FROM DAY ONE OF ROYAL ASCOT

# Blue makes Point with big win

**DERBY WINNERS SILENCE BIG GUNS IN KING'S STAND STAKES**

**BLUE POINT** upset the sprinting stars to win the big race on day one of Royal Ascot.

The Godolphin speedster came out on top in the King's Stand Stakes ahead of the well-backed Lady Aurelia and Battaash who finished second.

The 6/1 shot won a shade easily at the line with outsider Mabs Cross in third.

It was the Derby-winning team of Charlie Appleby and jockey William Buick who were celebrating.

The trainer said: "The Derby was fantastic but this

By MIKE FRANCIS

horse means a lot. I'm just delighted. We've loved this horse since he was a two-year-old. I was confident coming into today that he was the right horse."

Buick couldn't hide his joy, adding: "I'm very, very pleased for the horse — he deserves it."

"He's a very quick horse,

I was always comfortable where I was and I knew he would see the race out better than Battaash and it was just a case of whether I would be close enough."

Earlier, Frankie Dettori

got in on the act when he won the Coventry Stakes on rising star Calyx.

John Gosden's two-year-old was a clear winner on his side of the track and the 2/1 favourite was just ahead of Advertise and Sergei Prokofiev crossing the line.

#### Screaming

Calyx has now been made favourite for next season's 2,000 Guineas.

Gosden said: "He's very talented, his father was exceptionally talented and he has all of those attributes.

"The high draw may not be the best, and he's had to

race on his own for two furlongs with a huge crowd screaming — that's a big ordeal for him and I think he's done amazingly well to win."

"I'd love to give him a nice holiday now and come back for the Prix Morny."

Gosden can understand why his flyer is fancied for the Guineas."

He added: "I don't see why not but I think at the moment we should see if we can win a Group One with him and then think about stepping up."

Dettori did his trademark flying dismount and said: "It was pretty special what he

did. For a horse second time out to gallop like that out on your own is pretty smart."

"The manner in which he put the race to bed was impressive. Not many two-year-olds have that natural ability."

Accidental Agent kicked off the meeting by pulling off a 33/1 shock win.

Victorious trainer Eve Johnson Houghton said: "I thought I was tilting at windmills and I dreamt about being third."

"I thought 'my god, I'm going to be placed' — there was an awful lot of screaming going on."

# THE WINNING POST

## Turn the air Blue

**DAY two of the Royal meeting kicks off with the Queen Mary stakes and although Wessex Ward's Chelsea Cloisters is apparently the best two year old he has ever bought over, I am looking elsewhere.**

Clive Cox beat the American in last year's event with a high class filly of his own and I think he has another one on his hands in the shape of SHADES OF BLUE (NAP).

### Professional

She made her debut here at Ascot and showed an excellent turn of foot pulling away from what turned out to be a strong field with the minimum of fuss.

As she was so professional that day, Cox decided to put her away and wait for this.

I expect her to get a lovely tow in the race and once they reach the furlong pole she will

By BEN MORGAN

clear away from her rivals in good style.

Aidan O'Brien is mob handed in the Queen Vase and of his three runners I fancy NELSON.

This son of Frankel was quietly fancied for the Derby but disappointed badly in the Derrinstown Derby trial which meant he missed the Epsom showpiece.

However, I expect him to make up for that no show here as this step up in trip looks sure to suit as Frankel's progeny all seem to stay well.

He's the highest rated horse in the line up and I am amazed Ryan Moore has jumped off him because he looks the obvious contender on paper.

The Hunt Cup is the hardest handicap of the week and I could make a case for a few.

But, KYNREN is screaming at me near the foot of the weights and I can't have him out of the top five at a tasty price.

David Barron's charge has

been unlucky in both starts this season and arguably could have won both.

The fact he hasn't could prove a blessing in disguise today as he sneaks in near the bottom and given how progressive he has looked so far I presume he still has a pound or two in hand on the field.

The Jersey stakes looks ultra competitive and I think HEADWAY, Symbolization and Purser are all very much overpriced.

Preference is for the former as I have nominated this race for him for some time now and won't change my mind at this late stage.

The firm ground over seven furlongs will be right up his street and his lethal turn of foot will prove his main asset today.

PROUD: James Graham

## Graham wound up for Kiwi challenge

### RUGBY LEAGUE

JAMES Graham says England will pick up where they left off at the World Cup against New Zealand.

The Red Rose take on the Kiwis in Denver on Saturday night.

They upset the odds by making the World Cup final where they narrowly went down 6-0 against the Aussies.

That was the best effort by England since the Great Britain side was broken up and Graham is looking for another good effort in the United States.

He plays down under and believes that performance has given international rugby league a kick up the backside.

Graham said: "When you speak to Australians, we seem to have gained a lot of respect from the World Cup campaign and especially the final.

"It was a strong campaign. We didn't get the win but we built something there that we want to continue on with as a group."

### Price

England could have the upper hand because clubs down under are up in arms about playing an international during their domestic season.

That could leave them with the wrong mindset for the Colorado clash.

Graham added: "I'm a huge advocate for international rugby league. Sometimes you've got to pay a price for that but I think the price is worth paying."

"We were very passionate about getting this game on. There is the potential to grow this for the next three years and every time I get to represent my country it fills me with immense pride."

England are short of a few players themselves but a strong side has gone across the Atlantic.

Granam is confident of picking up a victory. He said: "It's always good to play with people like James Roby and Jonny Lomax and it's good to see a few of the young lads who were just coming through when I was there."

Tommy Makinson is set for his debut and can't wait to get going.

He said: "Every player here is fantastic."

"There are different types of players, some clubs are winning, some are losing but when we come here we all buy into one thing."

# IT'S NOT JUST THE WORLD CUP – ALL THO

**ON HIS KNEES:**  
Fekir insists he  
has no injury  
problems and  
will head to  
Liverpool

### NABIL Fekir WILL make his on-off move to Anfield once the World Cup is over.

The France international had all but signed for the Reds before a hold was put on his £53m switch to the Kop.

He even had two medicals and one of them flagged up an issue with Fekir's knee after an old injury was picked up.

But sources in France claim that Lyon are still keen for the transfer to happen and so are Liverpool.

There are rumours that the deal was put on hold so it could happen in the next French financial year.

That makes a big difference to Lyon and their accountants who don't want the income on their books at the moment.

Once the new tax years

### By PAUL THOMAS

comes around, the move will happen.

The 24-year-old has been speaking to the press while on World Cup duty and confirmed that there's nothing wrong with his knee.

He said: "You know I am here with France, I am happy, and I am not here to discuss my personal situation. We will see about all that later."

"My knee is super-good. We work a lot on it, we reinforce it. But I honestly feel like before my injury."

Fekir has spoken to the Lyon president while out in Russia and no other clubs are being linked.

His agent is also keeping the deal alive after "accidentally" telling reporters that it was still on.

Reds boss Jurgen Klopp is determined to sign a player

who he sees as the ideal replacement for Phillippe Coutinho.

The German is trying his best to remodel the Liverpool midfield and Fekir could be the final piece in the jigsaw.

Klopp has added pace and tackling skills in front of his defence by securing Fabinhio from Monaco and Naby Keita from Red Bull Leipzig.

### Busiest

Fekir would be an ideal fit in front of those two sitting just behind the attackers and offering similar qualities to those lost when Coutinho went to Barcelona.

Liverpool continue to be the busiest Premier League club in the early days of the summer transfer season.

They are trying to get rid of Daniel Sturridge but Newcastle boss Rafa Ben-

itez doesn't want him even for a cut-price £15m.

That's because the striker snubbed a January loan move to St James's Park at the last minute.

A more likely destination seems to be overseas with Sevilla and Fenerbahce happy to hand over the cash.

Sturridge's wage demands could be a sticking point with those two clubs unlikely to match what he's getting paid at Anfield.

Despite talk of backing calamity keeper Loris Karius, Klopp is also looking for a new goalkeeper.

Burnley's Nick Pope is the name that keeps cropping up with a £20m bid on the horizon.

Given that other targets like Alisson and Jan Oblak are four times that price, Liverpool could take a chance on England's No3 who had a brilliant season

for the Clares standing in for injured Tom Heaton.

He's fit again now so Burnley could be tempted to cash in on a player who could be sat in the stands most weekends.

ARSENAL are in the final stages of signing Bernd Leno from Bayer Leverkusen.

The goalkeeper could be a snip at around £20m given his experience in Germany where he is club captain.

### Spine

New Gunners gaffer Unai Emery is calling time on Petr Cech's time as Arsenal No1.

Leno is highly rated and the fee has been agreed with the Germans.

There could be more faces at the Emirates to join Stefan Lichsteiner who will arrive from Juventus after the World Cup. Lucas Tor-

reira from Sampdoria remains Emery's next big target. The Uruguay international is expected to cost in the region of £25m.

It's clear that the new manager is trying to build a strong spine at the club with experienced Greek defender Sokratis Papastathopoulos coming from Borussia Dortmund.

So that would be a new goalkeeper, two strong defenders and a combative central midfielder arriving in north London.

Emery will also block any moves for Calum Chambers and Rob Holding, who are both thought to be targets for Premier League newcomers Fulham.

EVERTON are being linked with a double swoop from Europe.

Sporting Lisbon winger Gelson Martins and Ajax centre-back Matthijs De Ligt who is just 18. The Portu-

guese side have cancelled the forward's contract so he would be available on a free transfer.

However, Liverpool and Tottenham are also interested in Martins.

The 23-year-old is at the World Cup with Portugal and may head to Goodison where he's likely to be guaranteed first-team football.

### Release

De Ligt wouldn't come cheap after making a big impact for the Dutch giants.

Manchester City have been sniffing around too so it would be a coup if Everton could get him.

He has already made his debut for the Dutch national team.

NEWCASTLE are on the verge of picking up a real bargain in Besiktas captain Oguzhan Ozayakup.

He has a release clause of

just under £9m and the 25-year-old has shown his quality in the Champions League over the past couple of seasons.

He's a holding midfielder who can pick out a pass and would be a good signing for the Toon at that price.

The fact that Benitez is pushing the move through would appear to indicate that he won't be leaving the club this summer.

New LEEDS boss Marcelo Bielsa wants to take Manchester City starlet Phil Foden on loan.

The midfielder is highly rated but looks a little way off being a regular for the Premier League champions.

City boss Pep Guardiola is a massive fan of Bielsa and wouldn't mind having one of his brightest prospects under his care.

The 18-year-old would be helped by a season in the Championship.

INJURED: Stokes

**Stokes on sidelines for Aussie T20 series**

### CRICKET

BEN Stokes has been left out of England's Twenty20 squad to face Australia and India.

The Durham all-rounder is still working his way back to fitness and has been replaced in the 14-man party by Sam Curran.

Stokes is continuing his recovery from a hamstring tear and he could be back in action in around three weeks.

Fast bowler Mark Wood is another to be rested with Jake Ball coming into the squad.

There is no place for David Malan along with Sam Billings and Liam Dawson.

Joe Root, Jonny Bairstow and Moeen Ali are all back in the fold after missing the T20s over the winter.

An ECB spokesman said: "Durham seamer Mark Wood is rested."

"All-rounder Ben Stokes will be with the squad throughout the series as he continues his rehabilitation from his torn left hamstring."

Chris Woakes is another absentee as he struggles with a "chronic" knee injury.

### Scans

He is hoping to be back for the one-dayers against India later this summer.

He said: "I'm aiming for the India ODIs and fingers crossed I can play some cricket before then, so I'm ready."

"The word 'chronic' makes it look like it's drastic."

"But the knee is not something I'm worried about. I've had it for the last nine years, but the quad is something I need to strengthen."

"I didn't think it was going to be too bad at first, but the scans showed a big tear."

"Because I've had an ongoing problem with the knee and I haven't been able to strengthen the leg as much as I'd like to, it's kind of buckled under the weight of playing a Test."

"I've had the same problem for about eight or nine years, and it's been niggling away at me."

"But I've got on with it and put up with the odd niggle, because it's not the sort of thing that will get better overnight."

WITH HIS SPORTING ODDS AND ENDS

ON THE ATTACK:  
Spain look good  
for a victory

## TREBLE TOPS

THE World Cup has started with some eye catching results with Germany losing and hot favourites Brazil failing to win.

Coupled with Argentina drawing with Iceland this may well turn out to be the wide open event many were intimating.

Punters look to combine the favourites in multiples and today the Portugal, Uruguay and Spain treble will be all the rage.

It currently pays 11/10 with Betvictor although with shock results the story of the event so far it may take a leap of faith to trust the favourites at that sort of quote!

### Spoils

Portugal begin proceedings in the lunchtime game with Morocco and have actually drifted to 8/13 after opening at 8/15.

The Euro 2016 holders were involved in the most exciting game of the tournament when Cristiano Ronaldo scored a late free kick to complete a sensational hat trick against close rivals Spain to secure a share of the spoils.

He is just 12/1 to repeat that feat here and has been supported to favourite in the

## Portugal, Uruguay and Spain pay 11/10

overall top scorer market after beginning at 16/1.

Morocco had been popular for top African team before a ball was kicked and really should have taken a point against Iran in their opening fixture with an injury time goal from the run of play condemning them to coming away empty handed.

I think they can be competitive again today and at 5/4 with a goal start looks to be the bet.

With Iran now two points clear in Group B Spain may very well feel only victory in the evening game will suffice.

Spain showed enough attacking quality against Portugal to confirm why they are still considered realistic title winners and despite the loss of coach Julen Lopetegui on the eve of the competition it's hard to see anything but a Spanish success here.

Diego Costa helped himself to a brace last Friday and is 11/4 to open the scor-

ing. He is just 2/5 from 5/2 to finish as the top Spaniard and may have expectations of winning the Golden Boot especially if Spain advance well into the competition.

He was a popular pre event selection at 33/1 but is now a solid single figure contender.

Harry Kane netted twice against Tunisia and is also well in the mix to challenge for the Golden Boot.

### Surprise

England unsurprisingly are our worst result ante post and if the Spurs marksman was also successful it would leave punters books running for cover!

Uruguay were expected to win Group A but after the surprise 5-0 opening day win for hosts Russia it threw the section wide open.

Although the South Americans were narrow 1-0 winners over Egypt with yet another late goal, they were generally disappointing and will need to put whip-

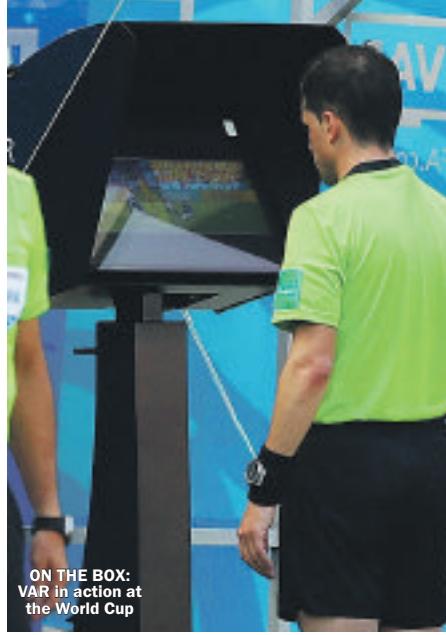

ping boys Saudi Arabia to the sword to re-establish confidence.

Strike duo Luis Suarez and Edinson Cavani looked laboured against the Pharaohs much to the frustration of backers who had lapped up big prices about the duo for the Golden Boot after seeing Russia take down the Saudis with ease. Both have a chance to get the ball rolling now of course and those bets may still prove accurate if either manages to cut loose.

Uruguay were actually this year's dark horses and many were selecting them to upset the odds of 33/1 to produce surprise winners. They still can't be ruled out and will expect to qualify from the section.

It's often difficult to find a value option when a favourite is 1/8 to win but perhaps backing the total goals in the match to be between 4-6 inclusive at 17/10 gives backers a bit of flexibility in a contest that won't be low scoring.

ON THE BOX:  
VAR in action at  
the World Cup

## Video nasty for referees says Neville

GARY Neville believes the video referee system at the World Cup is an absolute shambles.

The former England star is stunned that the Three Lions didn't get at least one penalty against Tunisia on Monday night.

In one incident, Harry Kane was wrestled to the ground inside the penalty area as a corner came in. The VAR system is supposed to have looked at the blatant foul but no penalty was given.

There was another potential spot-kick in the game when the England skipper was again given treatment Giant Haystacks would have been proud of.

Neville said: "It's not fit for purpose."

"Either give the VAR refs more time and accept the delay OR the broadcasters have to be working with the VAR officials".

### Impossible

The Manchester United legend thinks the video refs should get all the time they need to get decisions right.

He added: "VAR going wrong isn't down to VAR officials."

"There are two of them in their wading through 26 angles and having to make a call in maybe 20 seconds!"

"To give you an idea tv companies will have 14 experienced people doing the same job to get replays inside 20 seconds. It's an impossible ask!"

Neville isn't the only one

FIERCE CRITIC: Neville who is scratching his head about VAR.

Former Premier League referee Mark Halsey also thinks the teething troubles need to be ironed out quickly or the system should be dropped.

He added: "We've got to look at VAR and the reasons why it's so inconsistent."

"I think it should not be used at the best, most prestigious tournament in the world."

"I think there's a lot more training and education to be done because it should not be in this tournament."

"They should be looking at it to bring it in for the 2022 qualifying stages and then into the tournament."

Alan Shearer reckons Kane should have made more fuss about being fouled.

He said: "Moan a bit more, point it out to the referee. It might just say to the referee to keep an eye on it a bit more."

# WORLD CUP ACTION: COLOMBIA 1 JAPAN 2

# HOME JAMES AFTER JAPAN NICK IT

**JAPAN got the better of Colombia who were reduced to 10 men after just three minutes.**

The South Americans conceded a penalty and had Carlos Sanchez sent off for handling a Shinji Kagawa shot that may not have been hitting the target.

But he deliberately put his arm up inside the box and the referee had no choice but to get the red card out.

## Rocketed

It was the first one shown in these finals and Kagawa made no mistake from 12 yards out.

Japan were the better side in the early stages as Colombia were rocked by that bad start.

Takashi Inui and Yuya Osako both missed good chances to double their lead.

And they were made to pay for that just before the half-time break. Colombia

By ANDY MILLOM

showed a little South American flair as Juan Quintero fired his free-kick under the jumping wall and into the bottom corner.

There was no starting place for James Rodriguez who was carrying a knock.

Colombia put him on after the break but Japan soon started to turn the screw on the 10 men.

Osako got the winner with 17 minutes left, getting on the end of a Keisuke Honda corner kick.

Rodriguez almost made his quality pay in the dying moments.

He found himself in space just inside the Japan box and unleashed a shot that looked destined for the top corner.

But Osako threw himself in front of the effort and deflected the drive over the crossbar.

Japan held on to give themselves an excellent

chance of qualifying from the group. They now take on Senegal and could face England in the last 16.

Osako was deservedly named as man of the match. He said: "To score a goal

in the World Cup has been a dream for me since I was little, so I am extremely happy."

Japan coach Akira Nishino was clearly relieved to make such a good start and

has high hopes of coming out of the group now.

He beamed: "I said at half-time that if we can keep the ball moving, we can deprive the Colombia players of their stamina.

"Our players were aggressive from the start and I think that worked very well for us."

"This is just one win and three points, so we will save our celebration."

## Tough

Experienced Colombia coach Jose Pekerman may rule leaving James on the sidelines for so long.

But he clearly blames having to play most of the game with 10 men for the defeat.

He said: "It is tough to lose a player so early, especially one so important. Despite that we came back in the second half.

"But with Japan having an extra player, it was very hard to recover possession."

**SENEGAL** pulled off a surprise win against Poland in Group H.

It was their first World Cup win in 16 years and gives them a great chance of qualifying.

Everton's Idrissa Gueye put the African side in front thanks to a massive deflection from defender Thiago Cionek.

The unfortunate Pole has been credited with an own goal because the original shot was hurtling wide of the goal.

Former Arsenal keeper Wojciech Szczesny was totally wrong-footed and had no chance of getting to the ball.

The shot came after good work out wide by Liverpool forward Sadio Mane who had a solid game.

## Strange

That was the only effort of note in the first half where Poland failed to live up to their billing as favourites.

And the European side played a massive part in Senegal's second goal.

Just over an hour was on the clock when former West Brom midfielder Grzegorz Krychowiak played a strange pass towards his own goal from the centre-circle.

Mbaye Niang had just come back on to the pitch after receiving treatment and raced on to the pass and knocked the ball past a stranded Szczesny and into the empty net.

Poland got one back late on through Krychowiak who headed home a back-post cross.

But Senegal held on to grind out a deserved victory.

## Spain keep the faith in De Gea

SPAIN manager Fernando Hierro is keeping faith in David De Gea.

The Manchester United goalie dropped a clanger to concede a soft Cristiano Ronaldo goal in the 3-3 opener against Portugal.

Spain take on Iran in Kazan this evening and Hierro hasn't given a second thought to replacing his keeper.

He said: "Goalkeeper is a special position, with a special psychology."

"We have no doubts. Honestly. He doesn't doubt himself either."

De Gea has come in for massive stick from the Spanish press who point out that Portugal only had three shots on target — and they all hit the back of the net.

The keeper said: "Only those of us who put on the gloves and go out on the field know how difficult it is. "The coach is with me. It was an error and these things can happen."

## NEUER CALLS FOR ACTION

MANUEL Neuer says Germany have to shape up or they'll be out of the World Cup.

The holders were beaten 1-0 by Mexico and now must beat a tricky Sweden side or they'll be on their way home.

The big keeper didn't mince his words, saying: "The responsibility is on the entire team."

"It's clear that the experienced players should take the most of responsibility for such a result."

"We held another

By ANDY MILLOM

meeting, we have repeatedly discussed the reasons for our defeat. It's high time we showed the kind of play that made us the best four years ago in Brazil."

Germany did look booked to potentially meet England in the quarter-finals now but that looks in danger now.

Mexico are in the driving seat and can't be caught by the Germans if they beat South Korea/

## Ozil ready to retire

MESUT Ozil is all set to retire from international football after the World Cup.

That's the view of Germany legend Lothar Matthaus who believes the Arsenal midfielder doesn't enjoy playing for Der Mannschaft.

Ozil has Turkish heritage and has come in for abuse from German fans along with Ilkay Gundogan who has similar roots.

The captain of the 1990 World Cup winners said: I often have the feeling that Ozil does not feel comfortable in the Germany jersey, that he is not free, almost as if he does not want to play at all.

"It does not seem impossible that he might withdraw from the national team after the World Cup."

Matthaus believes the Arsenal man doesn't deserve his place in the side, adding: "For a year or two now, Ozil has been much weaker and at a level that does not justify the free ticket Low gives him into the team."

## BLEUS CAN CHEER UP

FRANCE will build on their shaky first win against Australia says defender Raphael Varane.

They edged out the Socceroos 2-1 and will have to do better against Peru tomorrow night.

The South Americans need to win after their unlucky defeat against Denmark.

Varane said: "Some things were not done that well against Australia. We know that we will have to defend with more

intensity, but mostly defend together.

"We're still at the start of the cup."

"We shouldn't dramatise the situation even though we have to be aware of the things that didn't go so well during the last match."

"We've made our assessments."

"We have talked among players. We've talked to the coach."

"We know where we want to go for the next match."

# ENGLAND GAFFER UPS EFFORT MY LIONS ROAR ON BLASTS GARETH

## Boss wants more after Tunisia win

**GARETH SOUTHGATE**  
wants his lions to roar louder against Panama.

England got a vital win against Tunisia in their opening match of Group G.

It puts them in a great position to qualify for the knockout stages.

They will be there with a win against lowly Panama on Sunday afternoon.

The Central Americans tried their best to defend but were brushed aside by Belgium, who scored three goals in the second half.

So England should find life easier against them but

By JOHN ANTHONY

Southgate is taking nothing for granted.

He said: "There are always things to improve."

"We are a team that are improving and developing, and therefore there will always be things that we can get better at."

"We're a long way from perfection. What pleased me is that there has been a long period of work gone into the Tunisia result from all the players and all of the support team."

"If you don't get the win,

even though you've done so many things right, that can breed a little bit of doubt."

"Of course there would be a different feel externally, so the next four, five days would be a little less comfortable for people."

### Result

"What we've got to make sure is we enjoy it but we don't have comfort for the next four or five days. We have got a job to do."

"We have to prepare as perfectly for Panama to make sure we get the result in that game we need."

"I think the players know

it's hard to win a match in the World Cup against any opposition, and Tunisia were opposition we respected."

"But Panama for 45 minutes were obdurate opponents against Belgium and we'll have to prepare 100 per cent right to win it."

All didn't quite go to plan against Tunisia but England played some lovely football in the opening 20 minutes and could easily have raced into a 3-0 lead.

Jesse Lingard and Raheem Sterling both missed great chances before Kane broke the deadlock.

England had the stuffing

# IT BEFORE PANAMA SHOWDOWN

KING HARRY: Kane celebrates his late winner against Tunisia

knocked out of them when Kyle Walker gave away a debatable penalty to bring the African side level.

After that, the Three Lions were a bit more hit and miss and Tunisia grew in confidence.

## Finish

England regrouped — not helped by Dele Alli carrying an obvious knock — but it took until the dying seconds for Kane to get the winner.

It was Harry Maguire who teed up the Tottenham striker for his close-range finish after Tunisia failed to clear a corner. Kane showed his class

to steer home a difficult chance despite being close to the goal.

The Leicester defender played well given licence to get forward by Southgate, who was impressed by the way he performed in his first taste of the big stage.

The England boss added: "I think his potential is huge. "For me, he has outstanding potential and I hope the win has given him a lot of belief."

Southgate admits it's a bit of a risk having so many inexperienced players in the line-up.

Nine men were making

their World Cup debut — but they have got the benefit of that experience now.

Southgate took on Tunisia for his first taste of a major finals 20 years ago and knows how much the players will come on for the run.

## Tight

But he joked that he didn't quite enjoy his debut — or at least the celebrations — quite as much as the class of 2018 could.

He chuckled: "That match seems comfortable looking back to 98, but we scored a set-play and we scored our second goal after about 85

minutes. It was still a very tight game against a difficult team."

"The difference between now and 98 is at this time I was sat in a drug-testing room with Teddy Sheringham while everybody else was celebrating."

"This time I was able to at least experience a little bit of what the fans are feeling and the dressing room."

"As a coach, you're into looking at the game back on the way home and immediately focusing everybody around you on the next task, so the enjoyment lasts a bit less time."

## Smells like team spirit for Hendo

JORDAN Henderson says England's team spirit saw them to victory against Tunisia in their World Cup opener.

It took a late goal from Harry Kane to secure the 2-1 win after the Three Lions had dominated for most of the match.

Much has been said of the good atmosphere in the England camp in Russia and the players looked very much together out on the park.

Liverpool captain Henderson believes that spurred the team on against difficult opponents. He said: "We can be friends off the field but when you're on the field it's important that you're fighting for your mate next to you. We're fighting for each other.

"We've always said that we need to keep going no matter what happens. You never stop until the final whistle and thankfully it paid off for us with a late goal and a big win in the group stage.

"I thought the lads worked really hard. It was a good performance and a massive boost for us."

## Boost

With Belgium beating Panama 3-0, England just need to beat the Central Americans to secure their place in the second round.

It was only the third time the Three Lions had won their first game at a summer finals and Henderson is trying to keep a lid on expectations.

He added: "Every game is so important. Yes it was a big win for us, a big boost — winning the first game always is — but then the next game becomes the most important, then

CONFUSED: Walker

the one after that — it goes on and on.

"We can't get carried away. We've got to recover well, we've got to prepare well and we've got to play as well, if not better, in the second game to win that."

"We want to keep going, keep building momentum."

England were denied two stonewall penalties during the game and Kyle Walker admits he doesn't understand what's going on with VAR.

He gave away a contentious penalty that was reviewed.

He said: "We've had a briefing, but what's correct and what's not? When do you ask for it? You don't want to crowd the referee and say 'VAR' because then it is a yellow card."

"I think you just have to let the referees get on with it and let them take the decisions. They have got a hard enough game as it is without putting any more confusion in it."

SASSI: Scored for Tunisia

"Next time I will probably head it away and ask questions afterwards."

**Injured Alli battles to take on Panama**

**DELE ALLI IS FIGHTING A RACE AGAINST TIME TO BE FIT FOR SUNDAY'S WORLD CUP CLASH AGAINST PANAMA.**

The Tottenham midfielder played 80 minutes against Tunisia despite picking up a quad strain in the first half.

It looked as though Fabian Delph would come on and the Manchester City midfielder was stripped and ready to enter the field. But Alli played on — which doesn't look the wisest move.

The 22-year-old is hoping to be

By JOHN ANTHONY

fit for the afternoon kick-off in Nizhny Novgorod.

Alli was sent for a scan after the game and admits he cannot be certain of taking on the Central Americans.

He said: "Hopefully I'm OK. It's my quad."

Southgate says it wasn't a mistake to leave Alli on against the Tunisians despite him clearly not being 100% fit.

The manager said: "We had to keep monitoring Dele. He was

feeling a little bit of an issue just before half-time, but he felt he could carry on and I thought the runs that he was making and the way he was pressing the ball was still causing a problem.

"He had a half chance with a lovely ball Jordan Henderson played to him, lofted over the top."

Eventually Ruben Loftus-Cheek came on for Alli and immediately looked bright and posed a threat.

He would be likely to take the Spurs man's place should he not make it on Sunday.
